Breaking away from the takeaway... As you know, the Takeaway/Delivery service will cease next Fri, May 7, which will be your final opportunity to enjoy Carl's excellent fish and chips on that menu. We still have the attached enticing menu for the coming week, and remember, you can refrigerate all but hot meals for 5-6 days quite safely.

Lyn and Carl will be taking a well-earned week off from May 10 to 14 but the Club will remain open for the outside drinks and snacks service, Mon to Fri from 4:00 to 7:00 p.m. So please continue to come for early evening drinks, you never know who might be serving you at table. Rumour has it Tom Cruise is filming in the county just now... but it won't be him!

Restaurant dining... Our restaurant service will fire up from lunchtime on May 19, and thereafter be open for lunches and suppers, Wed to Fri each week. Our outstanding '3-course 3-choice' menu at £18 is likely to attract plenty of custom, so please ensure that you book well ahead, call Lyn on 01242 541121.

Not only do our menus represent great value, but they offer wide choice. Unlike many restaurants about town, that change their menus rarely, we will continue to offer a **new and different menu each week.**

The price of a coffee... You do not need to pinch yourself. Yes, it really is true! First of all, you should know that we have a brand-new, self-service machine which brews up a cracking selection of drinks, from cappuccino to espresso to a nice cup of tea, with the coffee from freshly-ground beans.

But here's the really big news: between the hours of 9:30 a.m. and 5:00 p.m., every day the Club is open, you can help yourself. It's free of charge; however, if you feel like contributing a modest sum, that would be most welcome.

(Note that for all Club suppers, lunches and dining or special functions, table service of coffee or tea will be charged at £2.)

Another date for the diary... We will be holding another 'Last Night of the Proms' on Fri, Sep 3, featuring many favourite pieces, to hum or sing to. Black tie with a touch of 'Britishness' thrown in. It should prove to be a noisy but thoroughly enjoyable evening.

That's it for now.

Enjoy the Bank Holiday weekend... And remember that The Club is closed on Monday.

Best wishes
Mario
