

## The New Club Times 18 September 2020

**Entertainment and the Rule of Six...** Our Club provides a facility for eating and entertainment, and as such, must adhere to Government guidelines covering performing arts, venue operators and restaurants.

We have been scrutinising the new rules to see what we can and cannot do, and the good news is, we have more latitude than the 'Rule of Six' may seem to allow.

As we are 'Covid safe', and in light of the risk assessments we have conducted, we are able to advertise and hold organised events, provided they are New Club sponsored and are not personal parties. So, we will be moving forward with various entertainment activities.

*Numbers will always be limited. There will always be a booking system, and when the restaurant is used, seating will be limited to a maximum of six per table.*

**Club Ramble...** The next ramble is almost upon us, **next Wednesday, Sept 23, assemble at 10.30.** Starting and finishing in the Crickley Hill Country Park car park, the walk will circle Crickley Hill. It'll be about 4.5 miles long and with only a couple of stiles it's a relaxing way of taking exercise and getting to know fellow members.

Contact [mikedearden@btopenworld.com](mailto:mikedearden@btopenworld.com) or [pete@thechads.org](mailto:pete@thechads.org) if you would like to join this, or future rambles.
